Parent/Guardian:

The Valley Stream Central High School District utilizes FamilyID for our athletic registration. FamilyID ([www.familyid.com](http://www.familyid.com)) is a secure registration platform that provides you with an easy, user- friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs. VSCHSD will be using FamilyID for a variety of programs across the district.

From this point forward, it will only be necessary to provide a hard copy of the **Physical Form** to the Nurse in the school your child attends. You may turn in a hard-copy or upload a copy and submit it securely through FamilyID. All other documents should be completed electronically. Please go to the VSCHSD website ([www.vschsd.org](http://www.vschsd.org)) and click on the “Athletics” tab in the “Resources” box on the right-hand side of the screen. Once you are on the Athletics page, click on “FamilyID”.

- **Athletic Code of Conduct** (including VSCHSD Concussion Information)
- **Emergency Contact Information**
- **Health Survey**

*You will receive email confirmation upon the successful submission of your registration.*
